

It's Ok to Be Lost

When God Turns Lost Into Found

Overview

Every student faces moments of doubt, confusion, and questions about identity. In this keynote, Branden Pannell reminds young people that it's not only normal to feel lost—it's an essential part of the journey. Drawing from personal experiences and lessons that inspired his book, *It's Ok to Be Lost*, Branden equips students to see uncertainty as an opportunity for growth rather than a reason for fear.

Key Takeaways

- **Embrace the Process** – Understand that feeling lost doesn't mean failure—it means you're still becoming.
- **Identity in Christ** – Build your foundation on Christ, not on achievements, appearances, or outside opinions.
- **Hope in Hardship** – Discover how challenges can strengthen faith and resilience.
- **Patience with Yourself** – Gain practical tools to slow down, reflect, and trust God's timing.

Audience Fit

This talk is ideal for **freshman orientations, high school assemblies, and college retreats**. It speaks directly to students navigating transition, pressure, and identity struggles, giving them a fresh perspective and permission to walk their journey with faith and patience.
